Today's Liturgy: All the proper changeable parts of the Liturgy are contained in the handouts on the usher's table in the back of the church.

Important Covid Requirements: The rules about mask wearing are changing rapidly. Until we have a good understanding of the consequences of these rule changes, we will continue to function as we have. Masks are required in church, as we have no way of knowing who has been vaccinated and who has not. We will reevaluate in 30 days. We have endured the mask at church for many months. Our precautions have resulted in no positive Covid cases. We can continue with this practice for 30 more days, until we get a better sense of the quickly changing circumstances. Thanks, Father Dennis.

Thank you! To Sean and Kevin Donkin, who have been mowing the lawn for the church every two weeks! Father Dennis is mowing it on the other weeks.
