A request for assistance: We do not have a maintenance person or a maintenance committee. So, I do it mostly by myself. I really need volunteers to meet with me after Liturgy, this Saturday and Sunday, to go over the extensive list of things that I need help with. I will still participate, but I need help. Volunteers need initiative to make decisions, as if the project were at your own residence. You can do it on your own schedule by the end of September. Thanks so much. Father Dennis
